Tender Number: AU/TEN/PROJ/96

Procurement of green/solar power via Offsite/Onsite Open Access under a Third-Party PPA Model

Project Description:

Ahmedabad University is seeking procurement of green/solar power via Offsite/Onsite Open Access under a Third-Party PPA Model to meet a portion of the University's energy demand and reduce its carbon footprint. The current demand load is 1600 kW, and the installed solar capacity is about 636 kW.
